The Don't Miss Activities...

Senior Executive Seminar (March 20th) – invitation only [if applicable]
Federal Government executives engage with Esri President Jack Dangermond.

Welcome and Orientation for First Time Attendees (March 20th 8:00am – 8:45am) [if applicable]
Learn how to maximize your time at the FedGIS Conference.

Opening Plenary Session (March 20th 9:00am – 12:30pm)
Keynote address by Jack Dangermond and inspirational technology demonstrations by Esri and Government users.

FedGIS EXPO (March 20th – 21st)
Visit hundreds of exhibits, partners and innovative solutions tackling today's challenges. See the latest in software developments and solutions from Esri. Come meet with Esri staff to learn how ArcGIS is an integrated platform for safety and security. The Safety and Security Neighborhood (indicated by the red arrow on the map) will focus on geospatial solutions for Emergency Management, Law Enforcement, Fire/Rescue, National Security, and Emergency Call Taking and Dispatch. Be sure to visit our demo theater during expo hours to see live demos on key public safety workflows and missions to increase community resilience, secure against the unknown, and prepare for the unexpected. Esri GIS is transforming how organizations solve problems and make informed decisions.

Networking Reception (March 21st 6:30pm – 9:30pm)
Conclude the conference with annual networking reception at the Smithsonian National Portrait Gallery and connect with your colleagues, Esri staff, and our partners.
