

## Esri Transportation @ IMGIS

*Your personal Guide for the Transportation Industry at IMGIS*

We are excited to welcome you to the first Esri Infrastructure Management & GIS Conference! The IMGIS Conference is a one-time cross-over virtual event with integrated content, bringing together GIS professionals specializing in the management of infrastructure from across several interconnected industry segments – Electric, Gas & Pipeline, Telecom, Transportation, Water, and AEC. This conference will provide users from infrastructure sectors with a unique opportunity to learn and share within their collective community at the largest GIS infrastructure conference in the world.

To help direct you through the conference we created this simple guide to highlight focused sessions for the [Transportation Industry](#), including user presentations, technical workshops with live Q&A sessions, industry presentations, and on-demand content. Click [here](#) to view the full agenda.

### Get Familiar with the Virtual IMGIS Platform

The IMGIS Conference will be held virtually through an online platform. To familiarize yourself with this experience, be on the lookout for an email that will include an IMGIS Attendee Guide, tutorial video, and link to access the platform. Registered attendees can access the platform beginning Friday, October 23<sup>th</sup>.

### Plenary, Executive Leadership Forum, Transportation Industry Keynote and Transportation Special Interest Groups

Don't miss the Plenary, Executive Leadership Forum, Transportation Industry Keynote and SIG session for thought-provoking powerful stories about how GIS is making a difference in the electric industry. See demonstrations of the latest technology and capabilities ArcGIS offers.

## Virtually Network with Thousands of Your Peers

The world's largest GIS infrastructure conference offers you virtual networking and collaboration opportunities with peers. Find others who face similar challenges and have solved them using geospatial solutions. Make sure you access the platform early and set up your profile before the event begins to take full advantage of this capability.

## Conference Expo

In the **Expo**, you can explore the latest Esri product solutions and get your questions answered by experts from industry, product, and software app teams. Visit the expo to:

- Ask a technical question
- Request a demo
- Talk to an account manager

You will also have the opportunity to interact virtually with our sponsors and exhibitors. See how they are impacting their industries, get your questions answered, and discover GIS-powered products and services.

For a full list of IMGIS conference sponsors and exhibitors, click [here](#).

\*Times are listed in Pacific daylight time (PDT)  
Please note: All listings subject to change.

**A special THANK YOU to our Featured Transportation Industry Sponsors.**

We encourage you to visit their websites before the conference, visit their listings during the event, network with their representatives, and search the agenda for their special presentations.

[Clearion Software](#) – IMGIS Gold Sponsor

Clearion's transportation solutions are tailored to the unique needs of DOTs, rail, and other transportation companies. We provide an end-to-end solution for every stage of your operations, bringing management, crews, and contractors onto a single integrated platform. Transform your operations with digital solutions to increase the speed and accuracy of work in the field. #SolutionAlignment

[Nearmap US Inc](#) – IMGIS Gold Sponsor

NEARMAP & ARCGIS: BOOST YOUR DATA-DRIVEN INSIGHTS. Strengthen your mapping and analytics capabilities using high-resolution aerial imagery. Instantly and easily access high-resolution aerial imagery inside ArcGIS, Esri's cutting-edge platform. As an industry leader in cloud-based content, Nearmap is proactively capturing HD imagery across major urban areas in United States, Canada, Australia and New Zealand. What does this mean for you? It's imagery you can trust and rely on. Schedule a demo to see how we integrate Nearmap Vertical, Oblique and 3D content into ArcGIS to perform virtual site visits, gain greater awareness, and optimize location-based analyses.

The conference expo will be open throughout the conference. During focused expo hours, Esri staff will be available for interactive activities (live chat, scheduled meetings). Expo hours and focused expo hours are scheduled for:

- Tuesday, October 27  
Expo hours: 12:00 P.M.–4:00 P.M. PDT  
Focused Expo hours: 12:00 P.M.–1:30 P.M. PDT
- Wednesday, October 28  
Expo hours: 8:30 A.M.–2:30 P.M. PDT  
Focused Expo hours: 8:30 A.M.–10:00 A.M. and 1:30 P.M.–2:30 P.M. PDT
- Thursday, October 29  
Expo hours: 7:30 A.M.–2:30 P.M. PDT  
Focused Expo hours: 10:00 A.M.–11:30 A.M. and 2:00 P.M.–2:30 P.M. PDT
- Friday, October 30  
Expo hours: 7:30 A.M.–1:30 P.M. PDT  
Focused Expo hours: 11:15A.M.–12:15 P.M. PDT
