In addition to the booths, there is a meeting space available on a first come first served basis in the SB Pavilion for small businesses to hold meetings with customers and for the FSBS program staff to meet with business partners.

Esri Federal GIS Conference

March 20-21 | Walter E. Washington Convention Center | Washington, D.C.

The Don't Miss Activities...

Tuesday March 20

Welcome and Orientation for First Time Attendees - 145A (8:00am – 8:45am) (if applicable) Learn how to maximize your time at the FedGIS Conference.

Opening Plenary Session – Hall C (9:00am – 12:30pm)

Keynote address by Jack Dangermond and inspirational technology demonstrations by Esri and Government users.

FSBS Annual Awards – Hall C (12:30pm)

Presented by Jack on the plenary mainstage in three categories, FSBS Partner of the Year, FSBS Innovation Partner, and FSBS Collaboration Partner.

Wednesday March 21

“Transformational Small Business Implementations” (1:30-2:30pm, Expo Hall Workshop 2). Federal government agencies rely on small businesses to quickly adopt and implement the latest trends in GIS technology, who provide them with new ideas and use cases that allow them to fully exploit the next generation capabilities of GIS. Three small business partners have earned a Federal Small Business Specialty Award in 2018 because of their ability to introduce, implement and extend ArcGIS technology to tackle their customers business problems in a transformational way. Hear how these partners improved their customer’s ability to respond to natural disasters, conduct installations inspections, perform environmental damage assessments, as well as better manage their data, space and resources.

Networking Reception (6:30pm – 9:30pm)

Conclude the conference with annual networking reception at the Smithsonian Museum and connect with your colleagues, Esri and our partners.

Thursday March 22

Federal Small Business Bootcamp (9am – 4pm, 143A), Separate registration required [Register Here](#). For members of the Federal Small Business Specialty who have not yet attended bootcamp previously. Fed GIS Workshop recommendations will be distributed to registered attendees.
