

esri Federal GIS CONFERENCE

FEBRUARY 13-14, 2024
WASHINGTON, DC

Special Message for Public Safety and Security Attendees

We look forward to seeing you at the 2024 Federal GIS Conference. In order to help you and your organization gain the maximum benefit from this event, we have highlighted a few resources among the hundreds of different activities, workshops and Expo opportunities available on February 13-14.

The Don't Miss Activities...

Senior Executive Seminar (February 13th) – invitation only [if applicable]—Federal Government executives engage with Esri President Jack Dangermond.

Welcome and Orientation for First Time Attendees (February 13th 8:00am – 8:45am) [if applicable]—Learn how to maximize your time at the FedGIS Conference.

Opening Plenary Session (February 13th 9:00am – 12:30pm)—Keynote address by Jack Dangermond and inspirational technology demonstrations by Esri and Government users.

FedGIS EXPO (February 13-14) [Hall B]—Visit exhibits and partner booths to find innovative solutions tackling today's challenges. See the latest in software developments and solutions from Esri.

The Safety and Security Neighborhood is your dedicated area to focus on GIS solutions for the justice, law enforcement, and homeland security enterprise. No matter the mission, the geographic approach can help your agency prepare and respond in a world of increasingly complex threats and hazards. Meet and strategize with Esri's subject matter experts in Emergency Management, Law Enforcement/Justice, Fire/Rescue, Homeland/National Security, and Security Operations to help develop your geospatial strategy. Be sure to visit the spotlight demo theater during expo hours to see live demos on GIS solutions that can transform how you solve problems and build a more safe, secure, and resilient future. Located in Hall B.

EXPO Social (February 13th 5:15pm – 6:30pm) [Hall B]

Networking Reception (February 14th 6:30pm – 9:30pm)—Conclude the conference with annual networking reception at the *Smithsonian National Museum of Natural History* and connect with your colleagues, Esri and our partners.
