

GIS Manager's Summit

July 14, 2024

Helping GIS managers become leaders

Attend the GIS Manager's Summit at Esri UC

Connect with peers and experts to discover how GIS managers are becoming the geospatial leaders of the future.

Gain valuable insights through interactive presentations

Explore best practices and learn practical and effective leadership strategies. Be prepared to engage and ask questions during interactive sessions.

Learn from your peers and colleagues

Participate in group discussions and networking opportunities to find out how others are leading the way for GIS adoption, innovation, and expansion in their own organizations.

Be part of the GIS Manager community

Take advantage of the additional resources and activities available at Esri UC and beyond. Learn how to join the community of GIS Managers on Esri Community and on LinkedIn.

Time and location

The summit will be held on Sunday, July 14, from 9:00 AM to 3:30 PM at the Marriott Marquis San Diego Marina.

To attend this event, you must be registered for the Esri User Conference (Esri UC) If you're already registered, you can add the GIS Manager's Summit to your schedule. Please note, space is limited.
